Learn More About the New Pathway Accreditation

At our 2024 meeting, the AACSB Council, College and University Accreditation Commission (CUAC) approved the new Pathway Accreditation.

The new accreditation, known as the Pathway Accreditation, is a streamlined approach, approved in June 2024. It is available to all institutions currently accredited by AACSB, and will be available to new accreditations starting in 2025.

Cambridge Institute of Technology

Cambridge Institute of Technology is a leading provider of higher education, offering a range of undergraduate and postgraduate programs. The institution is committed to providing a high-quality education and is currently in the process of transitioning to the new Pathway Accreditation.

Suite 402

Alameda, CA 94501
