Note: No reimbursement for prior year payments will be issued unless an LLU processing error has been made. It is recommended that you apply for pre-cancellation deferment/cancellation at the beginning of your eligibility to avoid becoming delinquent on your Federal Perkins loan and having your account reported negatively to the credit bureau. Please make sure to apply for pre-cancellation deferment/cancellation at least once per year as long as you qualify. Pre-cancellation deferment allows you to defer loan payments until your deferment end date until you have completed a full year of service (whichever is later) at which time you will be required to submit proper documentation to LLU for partial loan cancellation.

2.2% of your Federal Perkins loan may be cancelled. Please refer to your Federal Perkins promissory note for interest rates as they may vary by cancellation type)

If you have any questions, please call LLU, Student Loan Accounts Office at 951-267-7333.
